

Clinical Experiences Subcommittee Meeting  
October 31, 2012  
3:15-3:50 U-High Library Conference Room

Members Present:

Jean Gorski, Kirsten Hany, Victoria Graziano, Victoria Jacobs, James Potter, Steve Evans, Ben Webb, Susan Thetard, Andrea Markert, Ryan Brown

**Agenda Item #1 - Discuss 216 survey results from 2012**

- Survey results were distributed at the September meeting
- Concern of C and I students observing student teachers  
As placement of other PDS programs emerges in other districts this might possibly be remedied
- Concern of C and I students only spending time sitting in the back of the class  
Survey staff and create master list of ideas to better involve C and I students

**Agenda Item #2 - Finalize survey questions for 216**

- Survey were sent out via email - revisions were suggested

**Agenda Item #3 - New Topic for November "C and I Minute" at UHS Faculty meeting**

- Soliciting ideas for C and I students in the classroom

**Agenda Item #4 - Discuss Pilot version of the summative evaluation**

- Ryan Brown gave explanation of pilot summative
- Created to align with PCK
- Possible issue with terminology "acceptable" - potential changes
- We need to ensure that staff is aware and understands the form and is on the same page - needs to also be presented to C and I students
- Ryan is going to alter form and present at December meeting
