

October 4, 2026

Good evening U-High Families,

We are in the middle of a busy fall with the fall weather finally here. Here is important information for this week:

- If your student is registered to take **the PSAT/NMSQT**, they received an email in their U-High Google account on Friday containing important information about testing on **Wednesday, October 7th**. Please encourage your student to review the email carefully and share the information with you so you are aware of all testing procedures and expectations. If you have any questions, please contact Dr. Hany at knhany@ilstu.edu.
- **Thank you to Boosters** for providing dinner for the teachers during Parent/Teacher Conferences. We appreciate your support.
- We have a **new crosswalk** painted on the ground outside the south side of the building, where a large majority of students enter school. **Please make sure you do not park/stop in the crosswalk when you are dropping off or picking up students.** That area should be kept clear for the safety of our students. Thank you!

Please let me know if you have any questions. I hope everyone has a great week!

Best regards,

Andrea Markert

Principal

University High School
